

# GREAT SCHOOL FUND RAISER

**Stadium Seat Cushions** are a wonderful way for schools, school sports teams, booster clubs and others to make money.

Below is a break down of just how easy it is to make money selling seat cushion ad's.

Having great success selling ad's, no problem, just do more seat cushions. Do 100 White cushions with ad's and then 100 red, blue, black, yellow ... cushions with more ad's

Area businesses want to help and seat cushion ad's is a great way for them to do so. And hey, when you give each business a FREE seat cushion as a Thank you gift, they'll be more likely to do it again (more money).

And don't worry, IF your school isn't lucky enough to have students who's parents own a business, then the local Pizza Shop, Ice Cream Shoppe, Auto Repair Shop, Real Estate, Insurance Company and more will all be willing to purchase an ad or 2 - to help support those who do business with them.

Call us today for more information on this great program.

100 seat cushions at \$4.59 each = \$459.00 Plus setup, shipping and screens.

Ad's sell for \$75.00 - \$250.00 depending on size.

16 - 2" x 2" ad's at \$75.00 each will bring in \$1200.00, giving a profit of about \$600.00.

Now sell those same ad's for \$125.00 and make \$2000.00! Now sell 32 ad's and do more seat cushions and make even more, \$2,400.00, \$4,000.00 ... how much do you want to make!

You can sell the seat cushions at sporting events and make even more money, or give them away with the purchase of a large beverage. Give some to each company that purchases an Ad. This way the seat cushions are being used and not "Seating" in a closet somewhere.
